

# **Improvement to part 1**

Since I did not receive feedback on my initial submission of part 1, I have implemented the following changes:

## Home Section:

- Replaced the HTML image (previously at line 58) with a CSS background image (now at line 84).
- Update the description text at line 59-60.
- Added a button at line 52

## About Us Section:

- Modified the paragraph text at line 72.
- Inserted an image below the text at line 85.

## Menu Section:

- Added a brief description of the menu at line 99.
- Reformatted the menu card structure at line 134.

## Booking Section:

- Added a short description about the booking process at line 291.
